V

It is not me!

I didn't do it!

Let me
Go!

You'd
never
guessed
!

Is that
Randy...?

Ooooo
...

We can't
help
him right
now!

Let it be!
Annee!

um...!

Letting this kind of
man become our leader
...

Those that left this
country are
ashamed
of him!

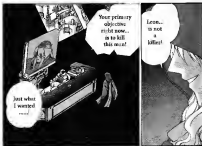

These people
hated quite
a few nations
just so that
they can depose
me...

The leader of the
resistance fleeing
the country...
Must be dealt with
completely...

Your primary
objective
right now...
is to kill
this man!

Leon...
is not
a
killer!

Just what
I wanted
...and!

I already...

Don't want to be
his shadow
anymore...

Oh prob!

It seems like I
still haven't gotten
your name yet

I refuse!

You...
Can you help
me dispatch
the king?

That was the
King's trap!

Hear what I say...
Obviously...
Randy he
didn't murder
anyone

The king here is
always thinking of
ways to make the people
his slaves...

And we
have no power
to resist

There already
isn't any other
who can
help us

entreat
you

Besides we
have to
concentrate
on digging
the tunnel

Yes! And this guy
is too suspicious.
Why's he in
our country?

Forget it, Annel!
Don't plea with
him anymore!

What else
can we
do?

Shut up!
Do you have
any other
idea
?

Where are
you?

Leon...

I'm here...

Waiting
for you!

Kill the
King
.....!

Just like that...
to believe/trust
me so..?

"foe"

"foe"
"friend"

Maybe I DO
believe....

ヒュウウウウー

Was that girl
your woman?

I said report!

No other way!
Who asks that I be
your shadow?
Leave!

Because of you
my job got
a lot more
complicated

Fuy

This is all
you have
to say?

But the
shadow
following
you
won't be

is all
Your name may
have changed

Bolt
Coward!

I'm
Bolt!

I already...
Don't want
to be
your shadow
anymore.

Baka...

Because
I'm your
shadow "ah"

If you don't
disappear,
then I can't
disappear...

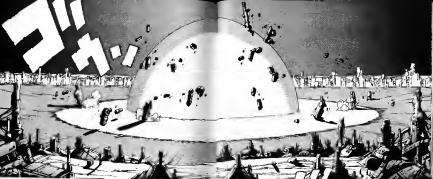

But I still
have to end
my job here!

Although it is
a bit discouraging
to the patron
ten years ago...

Don't know
what it
started. I can't
tell the
difference
any more

It looks like it's
because there is
a metal plate
integrated into
the clothing...

Everyone look!
So many people
converged in front
of the palace!

Today's the third
day since the factory
that has been the
resistance base has
been bombed...

The country's
state of affairs
has also
changed greatly!

I don't know
what kind of
person ...
astonishingly
crossed over
the town of
defenses...

Truth is that
it's time he
should step
down!

Kidnapped
the King
from the
palace!

...and the identity
of the abductor
can not be known
as of yet...

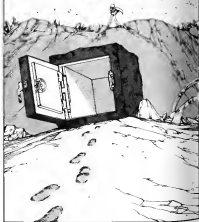

ah ha
hah

ah ha ha
hah ha!

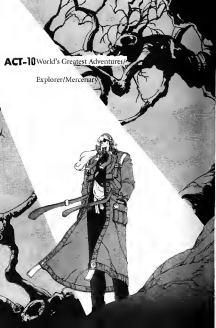

Since then..
our country
shall go back to
peace and
prosperity

ANOTHER STORY

Dark/Markey Forest

huh...

Bleed was but
a child!

Compared to him,
only I looked
like a King!

Didn't I forbid
ever speaking
his name
again?

Oh!
Did I
say that?

Yes...
Of course...

Didn't you agree
to send him out
to Edo as well?

Just where did
she kid to?

Don't mind
this more!

You should be thinking
of how to catch that
May woman!

That
little bastard
already died
in war!

Really...

Ooh?

I do have a
great idea...

This
rather...

That's
the idea!

Necessary!

That way we can
wipe them out
completely...

Even calling all
the men who
dared to resist

He's stealing the
people's properties
under the guise
of a tax!

What's
worse is—

Please
help
us!

And
that!

All that we can do...

Is to take back and
distribute the stolen
money...

And my
reward?

In the citadel's safe,
there's plenty of...

Wealth (Gold, Treasures)
stolen from the
common people.

You HAVE
to take
this JOB!

No

I only
felt that this should
be...
The safest place in
this country
is all!

Bolt!

You don't

anymore

What's
with
you?

My job was only to
'escort you to the
